we take another approach

* Annual return is based on 2016 income produced by the Class A Units of the Trust after voluntary reduction by Management of Income Participation during Q4 2016.

** Nine - Year Historical Yield as of December 31, 2016 is based on fixed income produced by the Assets of the Trust since inception of the Class A Units calculated after the voluntary reduction in Management Fees and carried interest.

Past performance is not an indication of future returns. All subscriptions for the purchase of units are made pursuant to available exemptions. Investors should read the offering memorandum, especially the risk factors relating to the securities offered, before making an investment decision.

*** Cash Back cheque is considered taxable income. Subscriber should seek independent tax advice

**** New direct Class A British Columbia subscriptions only.
